Ofício Consórcio nº 022/2023

Praia Grande/SC, 03 de agosto de 2023.

A Sua Excelência
Senhor Mauro De Nadal (MDB)
Presidente da Assembleia Legislativa de Santa Catarina
Florianópolis/SC

Assunto: Convite para participação na 10ª Conferência Internacional sobre Geoparques Globais da UNESCO.

Senhor Presidente:

Ao cumprimentá-lo cordialmente, é com grande satisfação e honra que, na qualidade de presidente do Consórcio Intermunicipal Caminhos dos Cânions do Sul, venho por meio deste ofício convidar Vossa Excelência para participar da 10ª Conferência Internacional sobre Geoparques Globais da UNESCO, que será realizada de 5 a 13 de setembro em Marrakech.

A Conferência Internacional sobre Geoparques Globais, organizada pela prestigiada UNESCO, representa um marco fundamental no cenário mundial ao reunir líderes, especialistas e representantes governamentais de diversas nações. O evento visa promover o diálogo, a cooperação e o intercâmbio de conhecimentos sobre a preservação da geodiversidade, do patrimônio geológico, cultural e ambiental, bem como a promoção do desenvolvimento sustentável.

Neste contexto, é com entusiasmo que convidamos Vossa Excelência a participar dessa relevante conferência, pois entendemos que a sua presença na qualidade de representante do Estado de Santa Catarina, reveste-se de uma significância singular, especialmente após um ano de conquistarmos a chancela do Geoparque Mundial da UNESCO Caminhos dos Cânions do Sul, consolidando-o como o único geoparque no Estado de SC, além de pontuar positivamente no processo de revalidação que acontecerá em 2025.

Ressaltamos que a 10ª Conferência Internacional sobre Geoparques Globais da UNESCO terá como tema "Geoparques Globais: Celebrando a Diversidade", abordando questões fundamentais para a preservação do patrimônio geológico e cultural em todo o mundo. A sua participação, como representante atuante em importantes tomadas de decisão no Estado, será crucial para fortalecer a importância da conservação de nossos cânions e geossítios, bem como impulsionar o turismo sustentável na região.

Na expectativa de contar com a valiosa presença de Vossa Excelência ou na impossibilidade de indicação de um representante no evento, enviamos em anexo a programação preliminar da conferência, bem como informações logísticas para facilitar sua viagem a Marrakech.

Certos de sua sensibilidade à relevância deste encontro e cientes de que sua participação contribuirá significativamente para o avanço das políticas de preservação do patrimônio geológico e cultural de Santa Catarina, aguardamos com expectativa sua resposta até o dia [data limite] para fins de organização e planejamento.

Coloco-me à disposição para prestar qualquer esclarecimento adicional que se faça necessário.

Atenciosamente,

Elisandro Pereira Machado,
Presidente do Consórcio.
